

Vital EMS, Central Massachusetts' leading private ambulance service, has created a new position for Paramedics.

Vital is looking for Fire-Medics.

**Fire-Medic Description:**

- **No IFT certification required; no vents, etc.**
- **No overnight shifts**
- ALS Emergent & BLS Level Non-Emergent Transports
- Per Diem position, minimum 24 hours per month required

The EMT-Paramedic is responsible for the safe and efficient response, treatment, and transport of all persons requesting or requiring emergent or non-emergent medical services.

**Job Requirements:**

- Must be EMT-P certified in Massachusetts, National Certification is optional.
- Paramedic experience required
- Valid CPR certification from AHA or the Red Cross
- Current ACLS certification
- Current 12 Lead Competency Training
- ALS/BLS Interface Trained
- Valid driver's license with an acceptable driving record

Vital EMS is committed to excellent patient care and provides our employees with excellent equipment and competent partners to care for their patients.

**Vital EMS offers competitive pay, 401k eligible, and a generous Quarterly bonus program**
